Vendor comments "Over the past four years, this home has been transformed from a traditional family house into a contemporary, luxurious and deeply comfortable space. Every upgrade has been carried out with care and longevity in mind, creating a home the owners once believed would be their forever home. Inside, the property has been fully redecorated with modern finishes, new hardwood flooring downstairs, plush carpets upstairs and widened archways that enhance light and flow. Air conditioning runs throughout and the garage has been reconfigured to form a dedicated utility room while retaining storage.

The home offers four generous king-sized bedrooms, including a principal suite with a walk-in dressing room and an additional bespoke dressing space. A versatile ground-floor room serves perfectly as a self-contained guest suite with its own shower room and garden access. The landscaped garden sits on one of the area’s larger plots, offering privacy and tranquillity moments from Farm Fields. Fully modernised and move-in ready, this is a home designed to be cherished".
