One of our absolute favourite features is being so close to the river Wandle. On warm summer evenings, we've loved stepping out, feeling the fresh air and watching the world go by. It's a little outdoor escape that makes flat living feel so much more. When we want a bit more green space, the communal garden is beautifully maintained, a lovely spot for morning coffee, reading a book, or just enjoying some quiet time outdoors. It's also perfect if you have a pet or enjoy gardening".
